

Marie Fagan Journal Week###3

#1 Reading His Word every day I have done for years but always under a planned reading. This year the Holy Spirit led me to start at Genesis, one chapter a day and then study that chapter. The Word awoke to me, I can't believe I missed so much for years.

#2 Absolutely, I realize how much I have taken God for granted. How arrogant I can be in situations. Still have a moment here and there where I try to help the Lord

#3 I would love to sit at a round table and talk to women about God's love and promises

Prayer: Oh, Heavenly Father (psalm 1) what a delight comes to those who follow God's ways. That is what I want to do Lord, set Your wisdom deep in my heart. (Psalm 93) Lord You are in charge of it all, the entire world. Holiness is the beauty that fills Your house. Come with Your glorious power, listen to my prayers, turn Your ears to my cry. May I only be a blessing and give You all the glory. May I fulfill Your plans for me. In Jesus name Amen
