PANDEMIC INFLUENZA PLANNING	
Staff Protection	The Program Administrator will alert all Thrive Behavioral Network, LLC Treatment / Program Directors of a Pandemic Flu outbreak, and correct protection procedures. Protection procedures will then be monitored by the designated Crisis Manager.
Staff Education	The Program Administrator will ensure that all facilities receive updates on a Pandemic Influenza as it becomes available from the Centers for Disease Control & Prevention (CDC). The Crisis Manager will educate the staff and residents at the facilities, within 5 days, with any information they receive from the Quality Assurance Manager.
Staff Absenteeism	During a declared pandemic emergency, our vacation and sick leave policy will be adapted as follows: Refer to Thrive Behavioral Network, LLC Policies and Procedures Manual to claim vacation or sick time. If an employee needs information regarding their vacation or sick leave benefit eligibility contact: Thrive Human Resources Department at (320) 255-9530.

In cases where facilities need more staff on a temporary basis, the Treatment / Program Directors of the facility will notify the Program Administrator and Director of Program Management. Staff may be reassigned to other Thrive facilities pending their availability to relocate, and given permission by the above-mentioned managers.

All expenses to relocate will be paid by Thrive Behavioral Network, LLC.

Employees who are demonstrating signs or symptoms of the flu need to inform the supervisor on duty or the Crisis Manager if they are available at the facility. They will be excused from the facility with intention to verbally follow up with the supervisor on duty before their next scheduled shift. Employees that are able to work may be called, beginning with on-call, then part-time, then full-time status employees. Overtime pay will be offered if an employee works over 40 hours in one pay period to cover a sick employee’s shift. The Crisis Manager should be involved in making any scheduling changes to accommodate a sick employee.
