

MakerSpace PD Survey Question List:

Pre-PD Questions List:

1. What content area do you teach? (drop down menu with various content areas will be present)
2. Would you be interested in exploring all that the MakerSpace has to offer? (yes, no, maybe)
3. How familiar are you with Making? (I've heard of this and use it in my classroom, I've heard of this but do not do use it in my classroom, I have not heard of this)
4. How familiar are you with Engineering Design? (I've heard of this and use it in my classroom, I've heard of this but do not do use it in my classroom, I have not heard of this)
5. Given the following list, what item(s) would you most want to try/use in the MakerSpace? You can select multiple options:
(3D Printing, circuitry, wood-working, craft materials, sewing and textiles, coding and programming, none of the above, all of the above)

Post-PD Questions List:

1. Since our PD, have you visited the MakerSpace with a class? (Yes, No, I have not visited yet but I plan to in the future)
2. What items did you enjoy exploring the most in the MakerSpace? You can select multiple options:
(3D Printing, circuitry, wood-working, craft materials, sewing and textiles, coding and programming, none of the above, all of the above)
3. Were there any items you did not see in the MakerSpace but would like for us to add to the space? (Fill in the blank)
4. How likely are you to use the MakerSpace for the lesson that you planned/created during our PD? (I have already done the lesson, I am likely to do the lesson later this year, I am not planning to run the lesson at this time- Why? (An extra fill in box would appear if this option is chosen))
5. Would you be interested in attending a future training session on Making, Engineering Design, and cross-curricular activities? (Yes, No, Maybe, I would be interested in more information)
