RE: Board of Education Presentation

Date: November 11, 2010

I am writing to formally commend you for the quality of your presentation last evening to the Board of Education about the NASA Endeavor and Explorer Schools Program that you were recently accepted into. Presenting to a governing body of any type is never easy; by all accounts I have received through a discussion with Mr. DeLucia, you presented fabulously and accurately described the tenor of the program and its applicability for Linwood Middle School students.

Developing teacher leaders, on both a formal and informal scale, continues to be a focus of the district. You demonstrated that Linwood has professionals, dedicated to their craft, whilst also acting as leaders and trendsetters. I applaud your efforts and look forward to working closely with you as Linwood progresses through the Endeavor and Explorer Program during the coming months.

C: Dr. Zychowski, Superintendent of Schools
Mr. DeLucia, Director of Curriculum
Mr. Palazzo, K-8 Supervisor of Science
Mr. Kowalski, Assistant Principal
