

Theological University of the Caribbean

1. We pray for our new students, to become great ministers in God's Kingdom. We pray that the Holly Sprit guide them in their path, during in the Seminary.

2. We pray for our campus improvements expansion project, expected to be completed soon. Last but not least, For the Holly Sprit to guide us to make great decision, this academic year.

I PRAYED FOR THIS

Elaine Phillips

In all the busy-ness at this season, Lord, we worship You! We ask to encounter You, the Great I Am, in all that we do. Pour out Your wisdom, Your strategies, and Your will. We surrender ourselves to You and ask to have Your heart for all who are in our campus communities. Let love abound!

We had a taste of revival last year, and I ask for the "full course" to impact our campuses this year. May Your presence be mighty, and may You receive GREAT GLORY!

Father God, I lift up the ABHE Administrators, the Faculty, the Staff and the Students. This fall I feel compelled to pray specifically for strong Jesus conversations and encounters for each person. May you put people in the right path so they can encounter You in new life transforming ways!

Thank you for hearing our prayers and for going before each of us into this new academic year.

Amen and Amen

Abba Father,

May you sovereignly work in the lives of each faculty, staff, and students with power and conviction to draw them closer to yourself, and to salvation in Jesus Christ is they do not already know you. Peel away the selfish ambitions and temptations of the world that prevent students and staff from full

surrender and the leading of Your Holy Spirit (Ephesians 5:18). For your glory let us as a movement stand for Biblical authority and Godly compassion and grace together in our institutions.

In Your powerful Name,

Amen
