¿Qué conocimientos tengo del material que se va a discutir en este curso?

God bless you,

As I mentioned in my presentation of week number 1. I am not one to read a lot, unless they are books or readings that attract my attention a lot. For this reason, I am not very expert in literary genres, although I have a slight knowledge of them.

Regarding the vocabulary and tasks, I find it slightly simple.

I am not an expert in English, but thank God I can communicate and handle them quite comfortably.

Kind regards,

Samuel D Cordero Conty
