

Semana 2

Nombre del estudiante: Armando Diaz Calero

Fecha: January 25, 2026

¿Qué conocimientos tengo del material que se va a discutir en este curso?

**Respuesta:**

Siendo honesto con la Profesora y en esta clase que ha comenzado en la semana dos, aunque vivo en los Estados Unidos y hablo un poco ingles, la realidad es que aprender el ingles como lo estoy aprendiendo a través de esta clase, es muy diferente al ingles que hablamos y escribimos. En mi caso, es muy poco lo que escribo en ingles y cuando lo hago, es mas bien para completar algún formulario. El hablarlo más, es mas fluido que el escrito.

Por tal razón, para este curso, mi deseo es desaprender para aprender. Por ejemplo: para esta semana el estudiar los sustantivos contables y incontables, es algo nuevo y refrescante para mí. Por tal razón, quiero poner todo mi empeño para aprender y de igual forma poder desarrollar mi escrito de una mejor manera. De igual forma, las asignaciones que hice y al estudiar la gramática, es algo por decirlo así, nuevo, porque es mas el ingles hablado.

Estoy contento con esta clase de esta semana y tengo muchos deseos de continuar aprendiendo. Bendiciones.
