

# TOPIC F: GRAPHS AND CHARTS

## LINE GRAPH HANDOUT

A line graph is used to compare how something is performing over time (i.e. sales over the last 12 months)

### SALES BY MONTH

Year: 2015

BM54

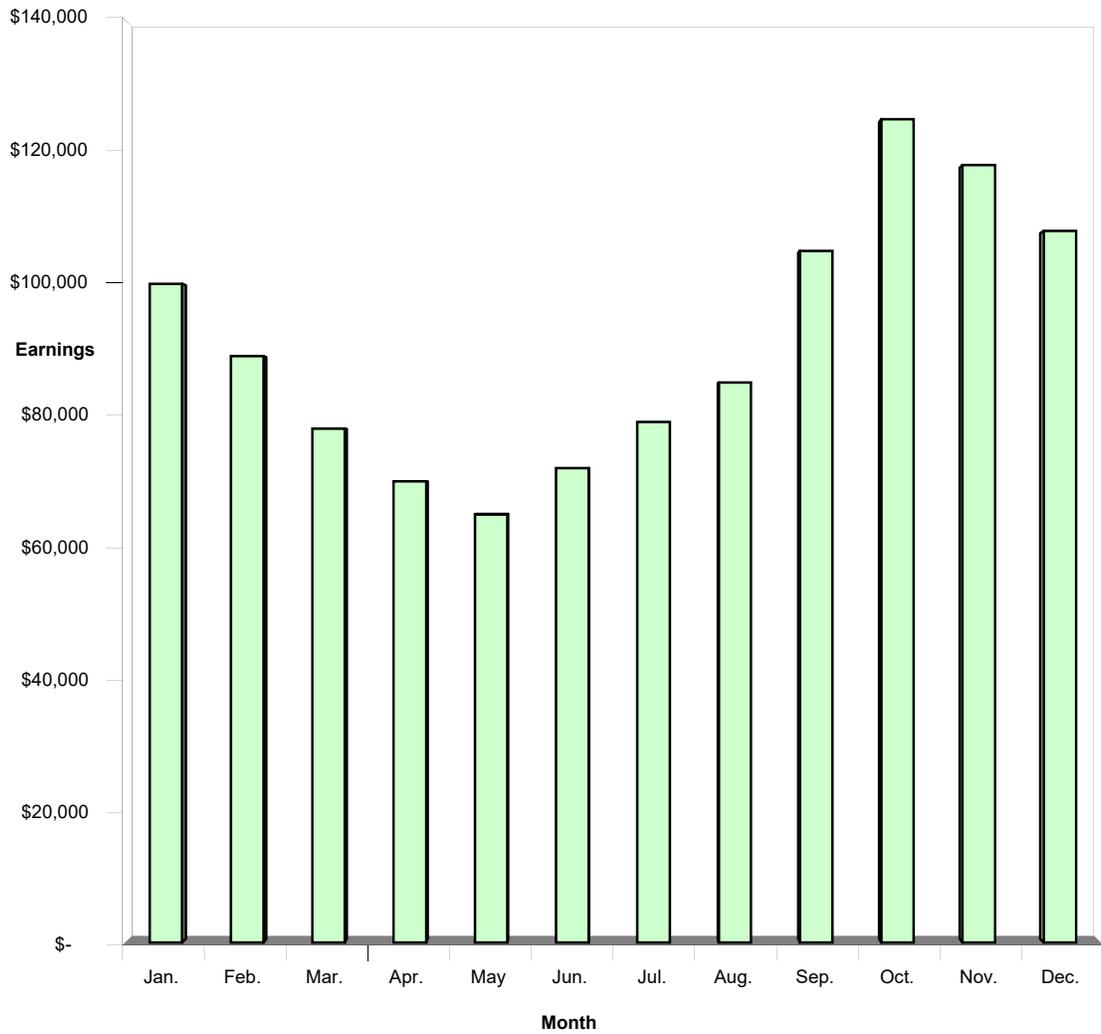

Revision 8.1

Work Certified™ 1.2016

## BAR GRAPH HANDOUT

A Bar Graph is used to compare different items to each other (i.e. profits of different companies or specific items.).

**SALES BY MONTH**  
**Year: 2015**

**BM55**

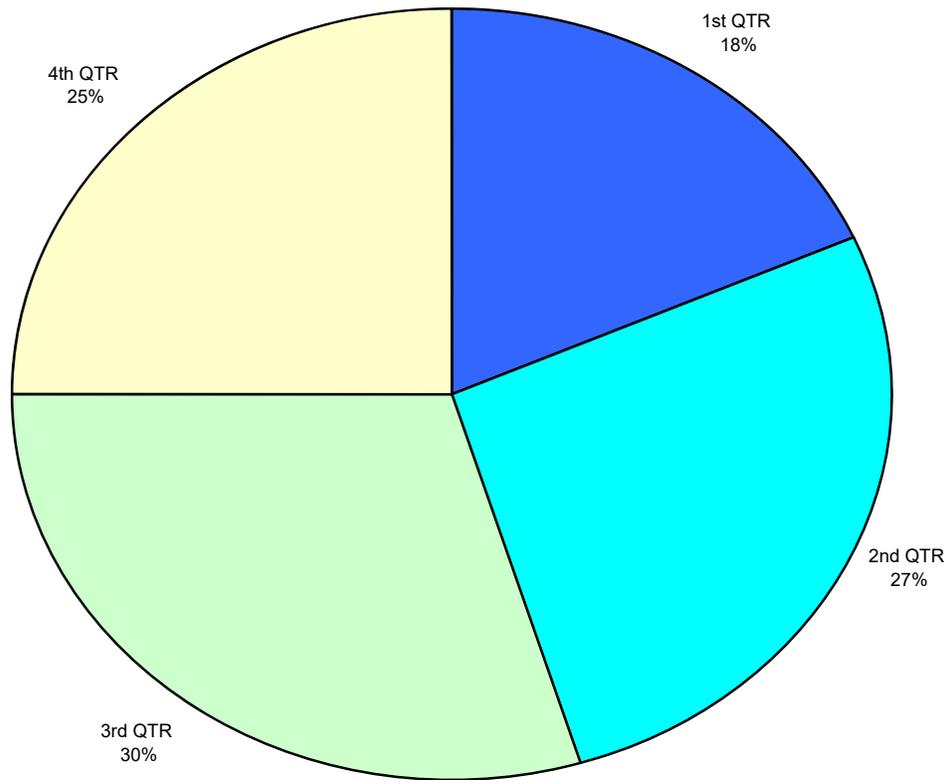

**Revision 8.1**

**Work Certified™ 1.2016**

# PIE CHART HANDOUT

A Pie Chart is used to compare items to each other proportionately (i.e., sales per quarter)

**Sales by Quarter  
Year: 2015**

**BM56**

**Revision 8.1**

**Work Certified™ 1.2016**
