Tips for Making Your Payment

If you are using a **credit/debit card**, be sure to enter the cardholder's billing address and the 3- or 4-digit card verification value (CVV) correctly.

If you are using **Visa®** or **MasterCard®** and your card-issuing bank participates in the **Verified by Visa** or **Mastercard SecureCode** programs, you may be prompted by the bank to provide additional information to verify your identity. Failure to provide correct information may result in your payment being rejected.

If you are using a **PayPal®** account and the “Bill To” address you entered when you created your PayPal account contains accents or other special characters, you may receive a payment error.
